## Our Role:

LDHS aims to protect the heritage of Longstanton and District by the creation of an archival record. Heritage will be promoted by providing information sheets and articles, as well as by encouraging the active use of historical buildings. Talks will be arranged so that people may learn more about the area. ## Not a member? Interested?

Longstanton & District Heritage Society has been set up in 2007 as a way of helping to record the history of Longstanton, Oakington & Westwick and RAF Oakington. Faced with the imminent disappearance of our rural villages due to the development of the new town of Northstowe, local residents have taken it upon themselves to create a record of what went before. LDHS will be dedicated to recording our shared history and making it available for public enjoyment and education. In addition LDHS will actively support charities or projects in the area that protect, promote or restore our local heritage.

Join the Society - see our membership form overleaf and do your bit to ensure that the rural villages of Longstanton, Oakington & Westwick and RAF Oakington airfield are remembered for generations to come. LDHS hopes to unite the old and new communities through an understanding of our shared history.

Please note: membership renewal takes place on **1st April each year**. Please see reverse for details.

## New date for AGM

In accordance with the rules of our Constitution it is proposed that the Annual General Meeting is moved to take place in **September 2010 (and then annually)** prior to and on the same evening as the talk for that month. This will reduce the expense of the meeting to the Society and will also ensure that the mailings are more equally distributed throughout the year.

## • LDHS's newly opened Website

Learn more about Longstanton, browse the virtual archive, share your stories; add us to your favorites!! [www.ldhs.org](http://www.ldhs.org)

Find out 'How it all Began'. Get a feel for the numerous pages that we hope will cover in some of local agriculture, the railway to the airfield and churches.

It's by no means complete but over the coming months we hope to be adding to

the site with your help. Hopefully you find enough of interest to want to return and even contribute to the archive.

Please contact us, at the addresses given, if you have any ideas or information on the many subjects posted on the site.
